YEAR 3 CATHEDRAL VISIT

Year 3 enjoyed a fantastic visit learning all about St Cuthbert and exploring his shrine. They discovered that the Cathedral took 40 years to build, is an incredible 933 years old, and that the tallest tower is so high it would take 15 double decker buses stacked on top of each other to reach the top! It was a great day for Year 3 – well done everyone..

ATTENDANCE

If your child is off for any reason, you must telephone the office to let us know. If a child is ill through sickness then they must stay off for 48 hours from the last time the child was sick. Research shows that good attendance is linked with higher achievement. If a child is off then it can have a serious impact on their education and at Woodham Burn, we want all children to have the best possible start to their school career.
